Tori Squires

Welcome

Bruce Ray called the meeting to order and asked Tori Squires to give an update on the status of Project 1.

Project 1 Update

Squires noted that the contract has been awarded to Iowa Interactive. Details of the contract are still being worked out, but the company has begun work under an MOU. Squires stated that, if desired, a meeting between Iowa State University and Iowa Interactive can be arranged to begin discussing how Project 6 will link into Project 1.

Review of Preliminary Draft of Questionnaire & Protocol

The project team reviewed and made suggestions for changes to the questionnaire and protocol for gathering housing information. It was determined that two questionnaires will be conducted: one for local housing providers and one for financial institutions.

The ISU team asked for all project members to send them any lists of information that will help them conduct their questionnaires and set up the web site.

Adjourn

The Project 6 Team adjourned at 11:30 am. The next meeting is tentatively scheduled for March 13 from 10:00 am - Noon.
